### Changes at RNI

The members of the Research Network on Innovation have elected the new presidency and the board at the **General Assembly** held on 11 December 2017.

Sincere thanks to **Dimitri Uzunidis** for his ten years of presidency rich in projects.

Congratulations to **Blandine Laperche**, the new president, and the new board of the RNI !

New Organization Chart

From 2018, thanks to the contributions of its members, the RRI participates in reforestation in France through the Pur Hexagon project (<http://www.purprojet.com/fr>).

**Your membership plant trees !**
